

# **FOOD DRIVES**

## **TARGETED FOOD DRIVES**

### **WHAT IS A TARGETED FOOD DRIVE?**

A targeted food drive is a donated collection of a specific type of food. For example, a targeted food drive could be a collection of cereal that you donate to us here at CUMAC!

### **WHY TARGETED FOOD DRIVES?**

Targeted food drives are more helpful than a donation of miscellaneous food! Instead of sorting through donations, it will save us time in our warehouse and will allow us to distribute your targeted food donations faster to our families.

### **MOST NEEDED ITEMS**

- Cereal (whole grain, heart-healthy, 3+ grams fiber)
- Rice (clients prefer white rice over brown rice)
- Pasta (clients prefer regular pasta over whole wheat)
- Tomato Sauce (low-sodium preferred, plastic jars)
- Peanut butter (plastic jars)
- Jelly (plastic jars)
