## **The Choice Marketplace and satellite location at Freedom Village for senior living**

The Choice Marketplace provides approximately 5 days of healthy groceries each month to guests. Guests can choose from fresh produce, frozen meat, and pantry staples. Appointments are required.

## **Benefits Enrollment Center (BEC)**

CUMAC's BEC provides free help with benefits applications such as SNAP and LIHEAP, to those residing in Passaic County.

## **Regional Food Hub**

The CUMAC warehouse sorts, stores, and distributes food donations to guests and our regional partners.

## **Community Conversations**

CUMAC offers Trauma-Informed conversations to discuss Adverse Childhood Experiences and Building Resilience to non-profits, schools and community members. Our goal is to create awareness and a common language about ACEs, Resilience and Trauma-Informed Community Building principles and how we can partner with families to provide an environment in which everyone has the resources they need to lead healthy and whole lives.

## **Home Delivery**

Our home delivery program serves around 120 individuals monthly who because of disability or age can not come to our physical locations.

## **Freedom Village Social Programming**

Community Advocates create and implement social programs for seniors living in Paterson to combat social isolation and provide healthy and educational activities.

## **Place of Promise**

Place of Promise is a permanent supportive housing program that serves individuals experiencing chronic homelessness.
